

## Tired of High Fuel Prices?

**SAVE 30 CENTS or MORE**  
**on every gallon of gas or diesel !!**

### DurAlt® FUEL CONDITIONER

#### WHAT IT DOES

**MEGA BENEFITS** in one easy to use bottle! A small squeeze of our fuel enhancer in your vehicle's fuel tank does all this:

- **SAVES 3 to 10 X MORE THAN IT COSTS!**
- **Efficiently combusts more fuel improving your MPG by 10-20%**
- **Saves 32¢ to 64¢ on each gallon at \$3.50/gallon (saves more as fuel prices rise!)**
- **Reduces emissions up to 61%**
- **Increases lubrication of engine parts**
- **Cleans out fuel injectors and engine combustion chamber**
- **Reduces engine octane requirement allowing use of Regular vs. Premium**
- **Boosts diesel cetane value by 2 points**
- **Protects fuel injectors and fuel pumps**
- **Stabilizes fuel and reduces oxidation**
- **Works as a biocide in diesel tanks**

A+ RATING

To Order: [www.SaveOnFuel.info](http://www.SaveOnFuel.info)

**2 Oz Bottle**  
Treats 80 Gal Gas  
or 50 Gal Diesel

**16 Oz Bottle**  
Treats 640 Gal Gas  
or 368 Gal Diesel

**Gallon Bottle**  
Treats 5,000 Gal Gas  
or 3,000 Gal Diesel

**55 Gallon Drum**  
Treats 275,000 Gal Gas  
or 165,000 Gal Diesel

## **HOW IT WORKS**

Fuel molecules clump together resulting in inefficient combustion which wastes fuel and pollutes the air with harmful emissions. Our fuel enhancer chemically separates the fuel at the molecular level allowing the fuel to completely combust. This significantly reduces greenhouse gas emissions and improves MPG. Our product is highly concentrated — "a little squeeze is all you need" -- simply add directly to bulk tank or vehicle tank. Your savings will be greater than the cost of the product -- guaranteed!!
